

FREEDOM BUREAU INTELLIGENCE
COMPANY PROFILE

THE INTELLIGENT WAY TO PLAN AND EXECUTE

ABOUT US

Freedom Bureau of Intelligence (FBI) was established in early 2022 and it is a 100% citizen owned company. This was in response to the rapidly changing criminal environment and inherent dynamics in terms of increasing sophistication and globalization of both crime and criminal syndicates. To mitigate this, there is need to respond with specialized skills, knowledge, professionalism and commitment in investigations and criminal intelligence both in Public and Private Sectors.

In all business operations FBI maintains the highest standards of integrity, professionalism, dedication and absolute confidentiality. We research without traceability to the client. Work and people ethics remain key part of all FBI staff on daily basis.

VISION:

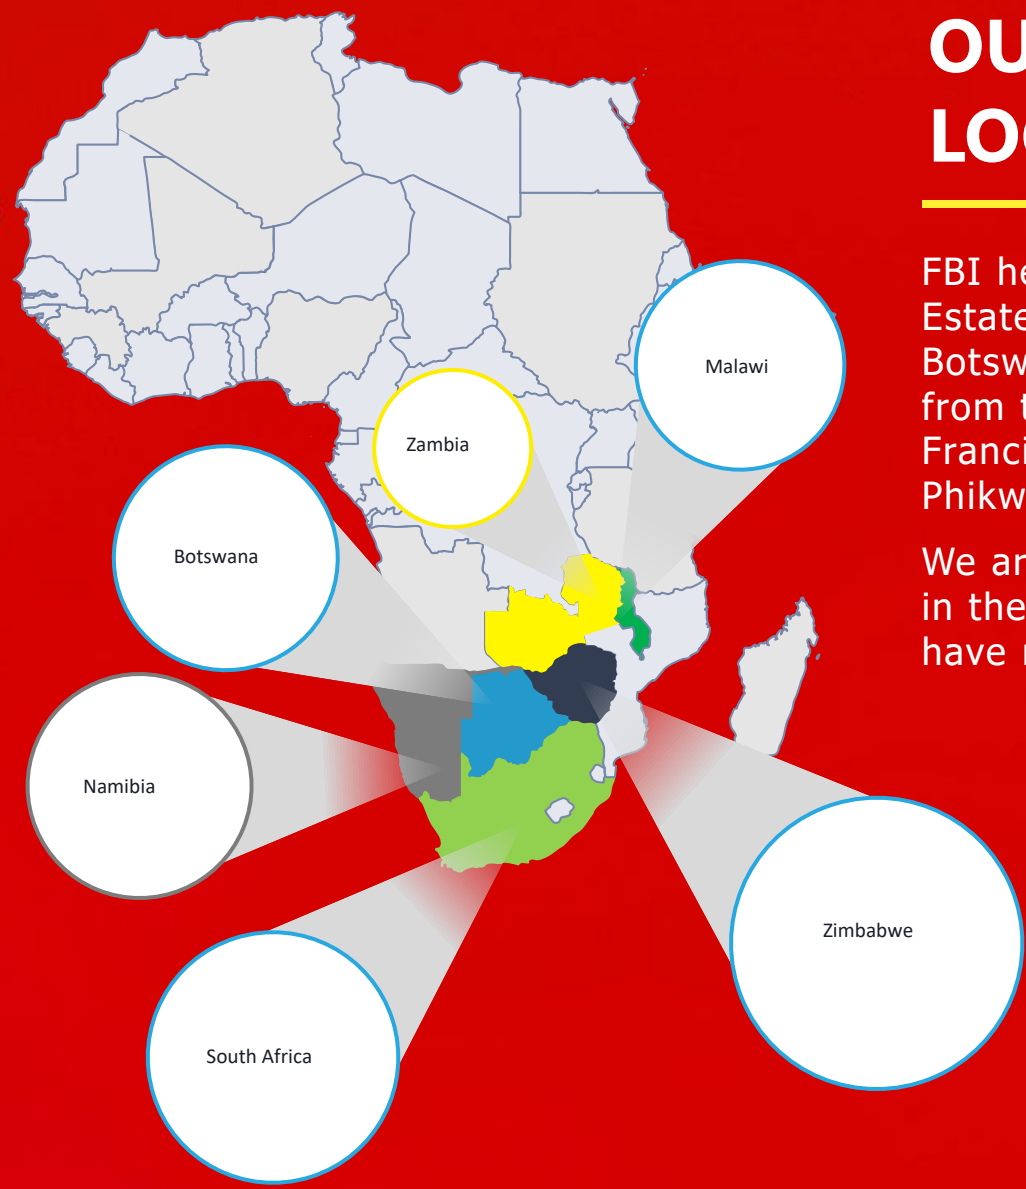

To provide the best intelligence and investigation consultancy services to the government, semi-state, corporation and individuals within Botswana and Southern Africa.

MISSION:

To provide a professional, confidential and honest service tailor made to suit each client's unique requirements. This include but not limited to;

- Commitment to operate and meeting our client's needs timeously.
- Maintaining a positive service between role players.
- Providing excellent service by leading various Criminal Intelligence department.
- Skill transfer and development

OUR LOCATIONS

FBI head office is located at Molapo Estate, Jean Street Francistown Botswana. Task team are deployed from the branch offices in Francistown, Maun, Kesane, Selibe Phikwe and Gaborone.

We are planning to grow and operate in the SADC Region as we already have members in those countries.

INNOVATION AND GROWTH

We keep a close eye on industry and work closely with industry professionals and suppliers to regularly review and expand the range of security solutions available to you, our customer. We have been able to further expand our product range and services with the acquisition of modern day security equipment to mitigate the ever changing environment of crime.

Expanding our services with the acquisitions and new innovation enables us to provide you with the very latest in security developments and technology thereby promoting our service excellence.

Today we provide solutions across the full spectrum of security products and services.

This gives our customers confidence knowing they can deal with one integrated security firm that will achieve their optimum solution. Our invaluable experience provides all of our customers with a level of service and confidence unsurpassed in the industry.

SECURITY

CAPABILITIES

We have proven ourselves to be a strong reliable partner to many business, industrial and residential customers – small, medium and large. We cater for and provide tailored security solutions for the full range of risk profiles. We are the preferred and contracted providers to multiple Government Departments and are regularly selected as preferred partner across private, public and government sectors.

We also provide 24hr emergency service available 365 days of the year.

CONSULTANCY AND RISK MANAGEMENT

Today's world can be highly risked and unpredictable place. Conflict, economic instability, terrorism, petty and organized crime are all features of the modern international commercial environment. Through a selected network of high qualified consultants with extensive commercial security risk management expertise developed from many people within a broad spectrum of industries.

OUR PEOPLE

We are selective in the people we employ.

Our Technical Counter Surveillance Measures team consists of previous National Intelligence and Botswana Police members who received their training in various countries like USA, South Africa and the UK. They possess the latest equipment and technology to ensure our clients have a peace of mind that their privacy is not compromised by technical surveillance measures.

These individuals investigate fraud, theft and other security breaches whilst remaining mindful of corporate cultures, policies, sensitivities as well as individual rights.

These individuals investigate fraud, theft and other security breaches whilst remaining mindful of corporate cultures, policies, sensitivities as well as individual rights. Our strong operating management structure is complemented by experienced reputable managers and a robust leadership team. Our General Manager has over 25 years practical experience in the security industry, and has also served as an industry trainer and as a member of the industry professional association. Our Director has extensive and diverse business experience enabling him to bring strong leadership and expansive vision to the company as it continues to grow.

We have a proven reputation for excellence, value for money, innovation and experience across the entire security spectrum. We have the skills, experience and commitment required to be your preferred partner, service provider and supplier.

Social Responsibility

FBI proudly acknowledges its social responsibility towards its employees, local communities and other stakeholders in striving to make a difference in as many lives as possible.

This is accomplished by means of:

- ❖ Employment with a focus on skills development
- ❖ Donations
- ❖ Building exceptional relationship with customers and suppliers
- ❖ Uplifting underprivileged individuals
- ❖ Our involvement in the communities in which our employees live and work.
